

Minutes from Eco Team Meetings in March

Attendees: All Eco Team and Miss Corradine

Topics discussed over our March Meetings:

Eco Schools –

- Children researched about the Eco Schools award application and the ten topics.
- Children undertook an Environmental Review for the school – this included interviewing members of staff to find answers to questions they did not know
- Sadly lockdown occurred before Eco Team could complete their Action Plan but we will pick back up where we left off when we go back to school.
