Headteacher: Ms K. Jackson

11<sup>th</sup> January 2022

Dear Parents/Guardians

As Governors of Grappenhall Heys Community Primary School we are writing to you to enlist your co-operation in a matter which is of great concern to the staff, many parents and ourselves. We know that Ms Jackson has tried, on many occasions to improve a potentially dangerous situation but we would like to believe that 2022 can be the year when we can collectively act to improve the safety of the children and reduce the annoyance to residents.

We have all witnessed examples of thoughtless and obstructive parking, inconsiderate driving and intemperate language outside the school in both the morning and the end of day but we would hope that, at the start of a new year, we can all resolve to be more considerate, patient and better role models for the children.

To that end, we would ask you not to block or turn around in either the school gates or residents driveways. Please use the car park at the bottom of Stansfield Drive or support the school's "Park and Stride" scheme which gives house points to children who are dropped off a little farther from school.

We are well aware vehicular access to the School is far from ideal and that we all face time pressures, especially in the morning, but we would ask you to consider how you would feel if, because of your actions, a child was injured or worse.

May we take this opportunity to wish you and your families a happy, safe and considerate New Year.

The Governors

Grappenhall Heys Community Primary School
