Beyond the Classroom

**WE ARE PASSIONATE ABOUT OFFERING
A WIDE RANGE OF EXCITING OPPORTUNITIES
OUTSIDE THE CLASSROOM.**

Our enrichment activities are designed to stimulate interest, enthuse and develop the talents of our pupils. Visits and visitors are an integral part of our curriculum offer designed to enhance the learning experience and foster interest and curiosity.

As a Children's University School, we offer an extensive range of After School clubs tailored to meet the needs and interests of our children. All classes in Key Stage 2 participate in a residential visit each year. This compliments the curriculum offer and develops personal growth, confidence and self-esteem.

All pupils have the opportunity to be actively involved in intra and inter school sports events as well as engaging with high quality arts experiences such as participation in music tuition, live performance and art exhibitions.
