

FAIR PROCESSING NOTICE – SCHOOL CENSUS 2012 – LAYER ONE SUMMARY – PRIMARY SCHOOLS

Grappenhall Heys Community Primary School processes personal data about its pupils and is a “data controller” in respect of this for the purposes of the Data Protection Act 1998. It processes this data to:

- support its pupils’ teaching and learning;
- monitor and report on their progress;
- provide appropriate pastoral care, and
- assess how well the school as a whole is doing.

This data includes contact details, national curriculum assessment results, attendance information, characteristics such as ethnic group, special educational needs and any relevant medical information.

This data may only be used or passed on for specific purposes allowed by law. From time to time the school is required to pass on some of this data to local authorities, the Department for Children, Schools and Families (DCSF), and to agencies that are prescribed by law, such as the Qualifications and Curriculum Authority (QCA), Ofsted, the Learning and Skills Council (LSC), the Department of Health (DH), Primary Care Trusts (PCT), ContactPoint. All these are data controllers in respect of the data they receive, and are subject to the same legal constraints in how they deal with the data.

The governing body of a maintained school in England is also required by law to supply basic information to ContactPoint¹ - see below. This only includes the name and address of the child, contact details for their parents or carers (with parental responsibility) and the contact details of the school.

Pupils, as data subjects, have certain rights under the Data Protection Act, including a general right to be given access to personal data held about them by any data controller. The presumption is that by the age of 12 a child has sufficient maturity to understand their rights and to make an access request themselves if they wish. A parent would normally be expected to make a request on a child’s behalf if the child is younger.

If you wish to access your personal data, or that of your child, then please contact Grappenhall Heys Community Primary School in writing. Details of school can be found on the following website: www.grappenhallheys.co.uk or on the School Learning Platform.

For those pupils/parents where this is not practical, a hard copy can be obtained from Grappenhall Heys Community Primary School, Stansfield Drive, Grappenhall Heys, Warrington. WA4 3EA Tel: 01925 212540.

The **Warrington Local Authority (LA)** uses information about children for whom it provides services to carry out specific functions for which it is responsible, such as the assessment of any special educational needs the child may have. It also uses the information to derive statistics to inform decisions on (for example) the funding of schools, and to assess the performance of schools and set targets for them. The statistics are used in such a way that individual children cannot be identified from them. The LA is also required to maintain the accuracy of the information held on ContactPoint about children and young people in their area.

Your attention is drawn to (Layer 2) of this Fair Processing Notice, which gives supplementary information about the processing of pupil data by the organisations mentioned above, and gives greater details of how the pupil data is processed and the rights of parents and pupils.
