

POLICY FOR THE TEACHING AND LEARNING OF PHYSICAL EDUCATION

Philosophy

Physical Education (PE) contributes to the overall education of all children by helping them to lead full and valuable lives through engaging in purposeful and high-quality activity. It promotes active and healthy lifestyles, physical skills, physical development and knowledge of the body in action. PE enables children to learn confidence, perseverance, team spirit, positive competitiveness and organisation. Children must engage in a programme of PE that encourages fitness, improves their strength and teaches them the rules of games. PE is an integral part of school practices allowing all children in the school to gain a sense of achievement and develop positive attitudes towards themselves and others.

Aims

In order to promote active and healthy lifestyles all children should:

- Be physically active
- Adopt the best possible posture and appropriate use of the body
- Engage in activities that develop cardio vascular health, flexibility, muscular strength and endurance
- Understand the need for personal hygiene in relation to vigorous physical activity

In order to develop positive attitudes all children should:

- Follow the conventions of fair play and honest competition
- Cope with success and limitations in their performance
- Persevere with and consolidate their performances
- Be mindful of others in their environment

Role of Curriculum Subject Leader

- With the Headteacher, to share a role in the monitoring and evaluation of the PE curriculum throughout the school
- To encourage other members of staff in their teaching of PE and to give support where appropriate
- To encourage staff to work within the guidelines laid down in the PE policy
- To keep up to date with current good practice and with national changes within the PE curriculum
- To evaluate and update the Policy and Scheme and resources on a regular basis
- To assist the Headteacher and Governors in the development of the School Improvement Plan
- To manage a budget to purchase in line with the school's needs.
- To support members of staff in the use of effective planning, assessment and recording systems
- To oversee an annual inspection of all PE equipment with external agency
- To maintain a high standard of PE teaching in his/her own classroom and ensure that PE keeps a high profile within the school, through sports activities, external support, etc
- To liaise with external providers, monitoring and evaluating the service they provide in line with curriculum expectations and value for money

Entitlement

Children are entitled to high-quality PE lessons. See below for time entitlements. Individual class timetables make reference to the lesson times for PE lessons. These are reviewed annually.

Year Group	PE entitlement	
	Outdoor	Indoor
Nursery	Unlimited opportunity for outdoor play experiences.	40 mins
Reception	Unlimited opportunity for outdoor play experiences.	1 hour
Year 1	1 hour	1 hour
Year 2	1 hour	1 hour
Year 3	1 hour	1 hour
Year 4	1 hour	1 hour
Year 5	1 hour	1 hour

Year 6	1 hour	1 hour
--------	--------	--------

Curriculum

The areas of physical activity (games, gymnastics, dance, athletics, swimming and outdoor activities) are set out in the Foundation Stage Curriculum and National Curriculum 2014. The PE curriculum at Grappenhall Heys is based on these requirements and is detailed on the year planner.

Grappenhall Heys have adopted The PE HUB scheme of work for the teaching of skills in PE, which includes a wide variety of sports, allowing teachers to teach a broad and exciting PE curriculum.

Each year group will be taught PE in accordance with the long term planning. This will ensure continuity and progression through school in order to continue to improve standards in PE. Differentiation and inclusion will be part of every lesson making learning more accessible.

Areas of activity

Early Years

Pupils should be taught:

Games

- Spatial awareness
- Basic motor skills
- Co-ordination and control
- Aiming, predicting and estimating

Dance

- Using their imagination in art, design, music, dance, imaginative role-play and stories

Gymnastics

- Travel around, under, over and through balancing and climbing apparatus

Games (KS1 and KS2)

Pupils should be taught:

- Simple competitive games
- A variety of ways to send, receive, strike and travel with/without a ball
- Games which include running, chasing, dodging, avoiding and awareness of space and other players
- To develop core skills in attacking, defending, invasion, striking and fielding
- To play small-sided and conditioned versions of net/wall and target games

Gymnastics (KS1 and KS2)

Pupils should be taught:

- To use technical vocabulary

- To perform basic actions of travelling (turning, rolling, jumping, balancing, climbing)
- To link movements on the floor and apparatus
- To repeat movements / develop sequences
- To develop complex movements

Dance (KS1 and KS2)

Pupils should be taught:

- To compose and control movements by varying shape, size, direction, level, speed, tension and continuity
- Investigate different genres of dance
- To express feelings moods and ideas
- To respond to various stimuli including music

Athletics (KS1 and KS2)

Pupils should be taught:

- To develop and refine basic running, jumping and throwing techniques using a variety of equipment
- To measure, compare and improve their own performance

Swimming (KS2)

Pupils should be taught:

- To swim unaided, competently and safely for at least 25m
- To develop confidence in water and
- To develop floating skills and support positions
- To develop an effective and efficient swimming strokes on the front and back
- To understand and follow basic water safety and survival skills

Outdoor Activities (KS2)

Pupils should be taught:

- To perform outdoor and adventurous activities in a variety of environments
- To face physical and problem solving challenges individually and collaboratively

At Grappenhall Heys PE will be taught through:

- Exposition (demonstration, explanation and instruction) by the teacher to the class, groups or individuals
- Practical activity and related discussion
- Co-operative group work
- Consolidation and practice of fundamental skills
- Opportunity to discuss and reflect on their own work and the work of their peers
- Use of professional/qualified coaching to enhance current provision within school
- Use of ICT to enhance and refine techniques and performance
- Opportunities within lessons to develop leadership skills, decision making skills communication skills and self –management skills
- Links made to Every Child Matters and Healthy Schools

- Extended high-quality provision through after school activities making use of professional / qualified coaches
- Use of community facilities – local swimming baths

Planning, Assessment, Recording and Reporting

Planning

Planning for PE is outlined in our in long- term plan. This incorporates The PE HUB scheme, which provides a full breadth of relevant, plentiful and high quality PE planning from Foundation to KS1 and KS2. Lesson overviews and plans (annotated from the schemes of work) show differentiation, cross curricular links, skill development, tactical opportunities, key questions (both open and closed) and next steps in learning.

High-quality lessons will include:

- A statement of the learning objective/learning question
- A whole class risk assessment
- Teaching the children to warm up safely
- The teaching of skills and techniques
- The application and adaptation of learnt skills in conditioned activities
- Modelling of correct technique and a success criteria
- Use of correct and specific technical vocabulary
- Performance and evaluation of each other's work
- Work which reflects the learning objective/learning question
- Differentiation including further challenges and extension activities
- Cross curricular links
- The use of ICT to enhance and refine techniques and performance
- Teaching the children to cool down safely
- Teaching the children the impact PE has on their bodies

Assessment

Summative and formative assessment in PE is carried out by class teachers and sports coaches (reported to PE coordinator):

- Informally during the course of teaching through observation and questioning
- To inform future planning and target setting
- ICT to be used to assess learning and to set next steps in skill progression/technique
- Children to be involved in the assessment process both self-assessment and peer assessment to be aware of next steps in their learning
- Children to complete a self- assessment at the start and end of each unit of work. This self assessment tool to be used to support children in being reflective in their lessons and with their achievements
- At the end of each unit of work teachers to complete pupil assessments in order to update the children's attainment and progress in that area of PE
- Assessments to be used to assist in reporting to parents and to be passed on to the following class teacher

Inclusion

In accordance with the school's Inclusion Policy, PE activities are differentiated to meet the needs of each pupil.

More Able and Talented pupils and children with **Special Educational Needs and Disability** will be identified through a range of activities. Their needs will be met through the development of individual or group programmes that encompass a range of learning styles and are designed to enrich the curriculum.

Equality

Teachers will ensure that all pupils have fair access to the PE curriculum, regardless of gender, race, or ability, in accordance with the school's Equality Policy.

Resources

All teachers have access to centrally stored PE resources. Resources are kept in two locations; indoor and outdoor stores. All PE resources are checked regularly to ensure that they meet health and safety requirements, and in addition to this, all resources are audited annually.

Health and Safety

Everyone has a duty under health & safety guidelines to ensure PE activities are carried out with due regard to the safety of staff and pupils in line with school, Local Authority and Health & Safety Policies. Advice can be sought

from the Local Authority's adviser, or the staff members responsible for Health & Safety.

Reference should be made to the school's Risk Assessments and the **Association for Physical Education (AfPE)** safe practice document 'Safe Practice in Physical Education, School Sport and Physical Activity 2016,' which outlines specific PE guidance. All staff access to a copy of the **Health and Safety Policy** in school documentation file. The safe practice document and risk assessments can be accessed in the Headteachers office.

(The **AfPE 2016** safe practice documentation should be consulted for further guidance)

- Staff should carry out risk assessments with the children at the start of all PE lessons.
- All equipment, apparatus and environment should be checked before the start of every lesson by teacher and is the responsibility of the teacher
- Children should be given health and safety guidance through the lesson
- All jewellery should be removed and stored safely before each lesson
- If children wear stud earrings, they should be taken out by the child. If this is not possible, the child should be given tape to cover their earrings. Taping can be applied independently in school or at home, but it is the class teacher's responsibility to ensure the taping is effective for purpose
- All long hair should be tied back

- Suitable clothing should be worn for each lesson (see school prospectus for correct clothing). Children should not engage in physical activity without correct kit
- For indoor PE, children should walk to the hall with suitable footwear on (trainers or school shoes)
- For Gymnastics, all children taking part should be bare foot
- Outdoor PE footwear should demonstrate effective grip and support, and reasonable protection for games and activities (no pumps)
- For indoor games, children should wear suitable footwear which provide good traction (not bare foot)
- For Dance, children should be bare foot or wear trainers based on level of impact, competence of students, type of contact and the repetition and duration of the dance
- Children who do not have a PE kit will take part in the lesson as an observer rather than a participator. Parents will be informed after two consecutive occasions of no PE kit
- Every child must have a school PE kit. They should bring it into school at the beginning of a half term and take it home at the end of a half term for cleaning. Children will not be allowed to share or borrow PE kits from siblings or other children in school

When travelling to sporting activity, the appropriate risk assessments are completed and the followed issues addressed:

- All children wear seat belts
- All supervising adults to be aware of risk implications
- All supervising adults that attend swimming to hold a current DBS
- All transporting adults to be fully insured

- Parents permission for taking children out of school obtained
- Parent permission for children to be transported by other parents
- After school competitions children to be transported by their parents or a responsible adult who the child's parents have given permission. School to be informed.

Safe-practice standards are consistently applied by staff, students and other visitors, across all aspects of the school.

PSHE

As documented in the schools' **PSHE Policy, Foundation Stage Curriculum and National Curriculum 2014**, children need to develop the skills required to lead confident, independent lives and to become informed, active and responsible citizens. The school has adopted the **Primary PSHE Curriculum Planning Matrix**, which encourages and emphasises the importance of healthy lifestyles.

Out of School Hours Provision

Depending on the time of the year, Grappenhall Heys provides opportunities for children in wide variety of areas. These after school clubs are updated and changing according to the interests of the children.

After school clubs are available for children to attend from Reception to Year 6 and if required there is a subsidiary available where finance may be an issue.

All sports clubs are open to both girls and boys and are delivered by qualified coaches or teachers who deliver high quality lessons. The provision of Out of School Hours sports clubs is reviewed annually and registers are kept to ensure opportunities are provided for all children.
