Grappenhall Heys

A Curriculum for Success

OUR TALENTED AND COMMITTED TEACHERS AND TEACHING ASSISTANTS WORK HARD TO ENGAGE AND INSPIRE EVERY PUPIL WITH A LOVE OF LEARNING AND A DESIRE FOR SUCCESS.

Our school follows a knowledge-based curriculum underpinned by skills and a wealth of opportunities. We encourage a thirst for knowledge in the pursuit of academic excellence whilst delivering a high quality, broad and balanced curriculum.

Our ambition is for all pupils to work together in collaboration, but to think independently and to develop a positive attitude and a reflective, resilient approach to their learning. This requires a detailed balance to be struck between what our children learn, and the way our children learn.

We are Grappenhall Heys and together we make a difference.

Beyond the Classroom

Grappenhall Heys

WE ARE PASSIONATE ABOUT OFFERING A WIDE RANGE OF EXCITING OPPORTUNITIES OUTSIDE THE CLASSROOM.

Visits and visitors are an integral part of our enriched curriculum offer and are designed to enhance the learning experience and foster interest and curiosity, as are outdoor learning and forest school opportunities.

We offer an extensive range of after school clubs tailored to meet the needs and interests of our children. All classes in Key Stage 2 are offered the opportunity to participate in a residential visit each year. This complements our curriculum offer and develops personal growth, confidence and self-esteem.

All pupils have the opportunity to be actively involved in intra and inter school sports events, as well as engaging with high-quality arts experiences, such as participating in music tuition, live performances and art exhibitions.
