Borough Council

STATUTORY EXPANSION NOTICE

Warrington Borough Council and Grappenhall Heys County Primary School are asking for resident's views on proposed expansion plans for the school.

Grappenhall is an area of population growth which means more school places will be needed. Grappenhall Heys Community Primary school (GHCPs) has been identified as being best placed to meet the needs of the area by increasing its current capacity. The plans to expand the school, from a one form entry to a two form entry (210 additional primary school places) will ensure the community has sufficient school places to meet the projected demand from local housing developments from September 2022.

The council is the strategic commissioner of school places in the borough and as such have a legal duty to ensure there are sufficient and suitable school places for all children of compulsory school age.

The council and the school are now inviting local people to have their say through a 4 week public consultation running from **Tuesday 12 January 2021 to Tuesday 9 February 2021**. It will give all interested parties the opportunity to share their views on the plans. To take part, please complete the consultation online survey <https://www.smartsurvey.co.uk/s/wbcGHCPs/>

Alternatively, if you have any queries about this consultation and would like more information, please email schoolconsultation@warrington.gov.uk. Please also contact us if you would like to request a paper copy of the survey.

Further information about the proposals, including some frequently asked questions, and how to get involved can be viewed on the council's website warrington.gov.uk
